

# WESTERN FIRE CHIEFS ASSOCIATION EMERGENCY EVACUATION CHECKLIST

## PEOPLE

Make sure everyone in your home is accounted for.

## PETS

Ensure your pets are identifiable (microchips or other), and that you are prepared to transport them away from danger. Include three days of food and water for your animals as part of your go kit.

## PAPER

Create a folder with important phone numbers and documents including your license, proof of insurance, medical records, deed to your house, passports, social security cards, bank information, etc.

## PRESCRIPTIONS

Pack any medication your family requires along with vitamins, eyeglasses, contacts, etc.

## PICTURES

One of the hardest items to replace are photographs. Bring any irreplaceable photos, art, or memorabilia.

## PERSONAL COMPUTER

Bring laptops, computer hard drives, and disks as these can also be difficult and expensive to replace.

## PLASTIC

Credit cards and ATMs are the “plastic” in question because you’ll need a way to pay for things in the interim — cash is also useful!
